

# Input to the Inspector-General of Aged Care

1. What is the Issue that you would like to raise for the awareness of the Office of the Inspector-General of Aged Care

Where possible, be specific: For example: Nutrition in aged care homes is inadequate

2. Do you have a specific question that you consider could be the subject of a report, review or monitoring activity of the office of the Inspector-General of Aged Care?

For example: How effective is current quality monitoring for ensuring food availability for choice, dietary requirements, and cultural preferences?

3. Why do you consider the issue systemic?

For example, the Royal Commission identified widespread malnutrition and dehydration for people in aged care who were given poor quality and unappetising food.

4. Is there any publicly available data or evidence to support your views?

Please include links to any reports, information etc that will support us in our consideration of the issue.

5. Do you have any other information you would like the Inspector-General to consider?
