1. I would like to state that the Aged Care Quality and Safety Commission is unfit for purpose.
- 2 . I have been looking for an Aged Care Provider for 3. years ,for my home care package 4. Tried 3 providers and found them to be useless in all spectrs of care. All the Aged Care Providers are only in for the money .From my experience they waste clients money, by overpaying for goods and services.

Regards
James Styles
